

~~✂~~ NEWS FROM MY DESK

JUNE 2023

My very dear friends

Here we are in the beginning of winter, the mornings are chilly but the days are magnificent. Lectures have now been completed and our students are busy with their exams. This gives me a chance to bring you all up to date on my work.

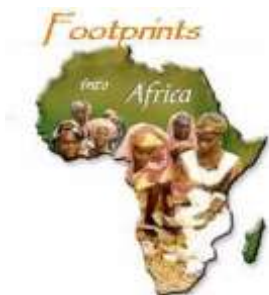

KWAZULU-NATAL MISSIONARY AND BIBLE COLLEGE

Every day as I begin my 5 lectures a day, I am conscious of the enormous responsibility of training up our students to become pastors and missionaries to Africa. At the moment we have no 3rd year students as we recover from Covid, so I look forward to being back to normal and full steam ahead next year. For the upcoming 3rd term we have 8 missionary student applications, which is encouraging.

My intern this year is **Joy Mundia** from Zambia. She is doing a great job with the students, highlighting and exposing to our students to missions. Her team is called **KMBC Missions Ablaze**. This term she has organized visits from Kairos Prison Ministry, Africa Enterprise Youth Fox Fire team and Open Doors.

Another busy term has almost finished.

MISSION TRIPS

You would have read of my *mind blowing* visit up to Malawi and seen pictures of me crossing the rivers in the wake of Cyclone Freddie.

Then my visit to **Genadendal**, the oldest mission station in South Africa, was a great joy to experience.

ZAMBIA

I am preparing for my next trip up to Zambia. This is where a number of our mission's students come. I am looking forward to this, it should be very exciting to catch up with all our past students.

History of Missions in the 20th Century

What an incredible morning we had in May, meeting with other friends passionate for missions. We were blessed with our biggest attendance yet, as we learned of the *History of Missions in the 19th Century*. Plan to be at our next morning meeting ... details above ... they are fruitful times.

Book now ... to be part of an informative and exciting morning!!

PREACHING APPOINTMENTS

I am also so grateful for opportunities to preach at our Zulu churches in Imbali, Sweetwaters and Qotoko, as well as the Brethren Assembly, Christ Church Howick, and at St Olav's in Durban.

BIBLE STUDY

We are still busy with our studies in 2 Peter on a Thursday evening and are blessed with a very caring group of friends.

Give thanks to the Lord for another amazing term of serving Jesus, training pastors and missionaries, and promoting missions.

YOU, my dear friends make all this possible. Thank you so very much for all your prayers, love and financial giving. I hope all the above is a huge encouragement to everyone who partners in my work.

Thank you... Siyabonga...
