

NEWS FROM MY DESK

OCTOBER 2023

My dear friends, I returned home from a very blessed trip to Zambia, so encouraged. There were phenomenal responses to my messages, many indicating their desire to come to Christ and become believers "Approved unto God". The response to our new course; "Advanced Course in Missional Development" was also, amazing. So now after a short break of five days, our last term has begun.

KWAZULU-NATAL MISSIONARY AND BIBLE COLLEGE

These last few years since Covid have certainly challenged us. Sadly, some of our friends have had to close down their businesses and we at KMBC saw a sharp decline in our student intake, BUT GOD ... has answered our prayers and for the final term we are full ... hallelujah.

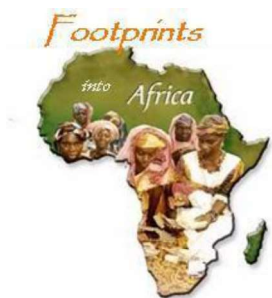

Here is a breakdown for your interest and prayers:

- Diploma in Missions - 15
- Advanced Course in Missional Development - 4
- Diploma in Ministry - 2
- Diploma in Theology - 3
- Advanced Reading Course in Theology - 6
- Distance Study C.Th - 9

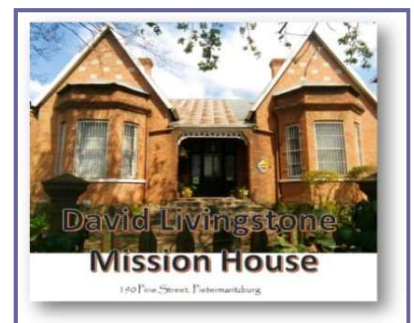

Please pray for us as we seek to train up pastors and missionaries for
