

## NEWS FROM MY DESK

JANUARY & FEBRUARY 2024

My dear friends

Greetings to you all, and may I again begin by saying how very grateful I am to you all for supporting my work. As William Carey said, “You hold the rope while I go down the mine”. **SIYABONGA.**

As we go into 2024 let us all allow Oswald Chambers to set the tone, and this is what he wrote on January, 1st in his amazing book “My Utmost for His Highest”.

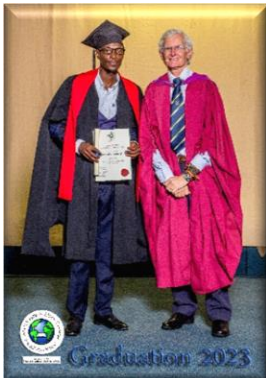

*“SHUT OUT every thought and keep yourself before God in this ONE THING only – my utmost for His Highest. I am determined to be absolutely and entirely for Him and Him alone.”*

Let me bring you right up to date:

### KWAZULU-NATAL MISSIONARY AND BIBLE COLLEGE

What a wonderful graduation service we had last December, It was glorious to see another 16 graduating and going into Africa fully trained to become pastors and missionaries.

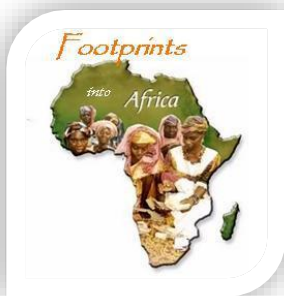

By the grace of God nearly 400 have now been sent out. So, I begin the 38<sup>th</sup> year of my college, more passionate than ever to train pastors and missionaries for Africa. We welcomed 8 first year students into the full-time course and 3 into the Missions course for which we are so grateful, an additional 6 will be coming in April for the Advanced Course in Missional Development.

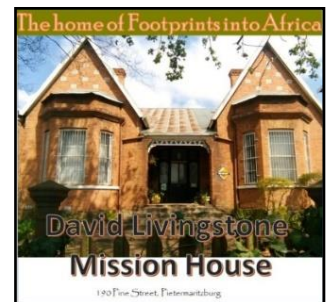

WE HAVE STUDENTS FROM KZN, EASTERN CAPE, DRC, DUNDEE, MALAWI, ZIMBABWE AND KENYA.

## FOOTPRINTS INTO AFRICA

Another busy year lies ahead of me, which is really exciting for me.

## MY PLANNED TRIPS IN 2024

# AFRICA

Next month I leave for Mozambique and Malawi, in May I go to Rwanda, then on to Uganda in June, the Democratic Republic of Congo and Zambia in September, so please pray all will go well.

A few days ago, the eldest son of one of our past students died from Malaria, so it was a huge wake up call for me - not easy travelling across Africa.

Prayer for a safe trip

## BIBLE STUDY

We started our new series on 1,2,3 John, and what a joy it was to welcome 20 friends attending, hungry to learn. This together with my preaching on Sundays, keeps the fires burning.
