

NEWS FROM MY DESK

MARCH/APRIL 2024

My dear friends and supporters,

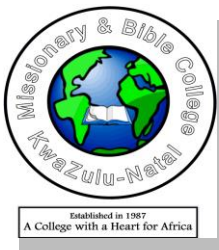

I was so deeply challenged the other day when I read some of the latest statistics on the Church in Africa, here are a few:

- **Over 208 million believers do not own their own Bible**
- **80% of pastors have had NO formal theological training**
- **In Malawi only 10% of rural pastors have a Bible**
- **Sometimes a church will all share only 1 Bible**

This was a strong reminder to me of the importance of the work I am involved in.

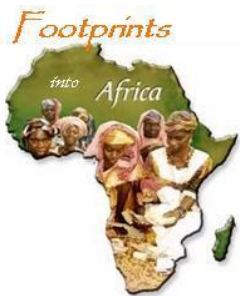

May I encourage you with this month's update...

KWAZULU-NATAL MISSIONARY AND BIBLE COLLEGE

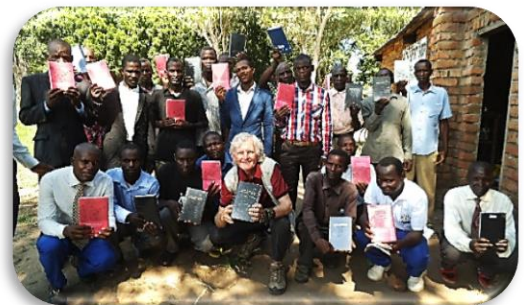

We have just begun with our 2nd Term of studies and welcomed 6 Diploma in Mission students. Every day I deliver my 5 lectures, I thank the Lord for the privilege of playing a small part to equip pastors and missionaries for Africa. My heart is overwhelmed at the thought that over these 38 years, over 400 have now been sent out into Africa and the world. It has been an amazing journey.

FOOTPRINTS INTO AFRICA

1. **Mission Trip to Malawi** - I had the most wonderful time in Malawi, preaching in the churches, seeing souls being saved, and then delivering Bibles to our leaders in both Malawi and Mozambique. What an experience it

was to put the precious Word of God into the hands of those men, some of whom had never owned their own Bible.

2. **Trips to Rwanda and Uganda** - At the moment I am preparing to go up and speak at a pastor's conference in Rwanda in May, then in June to preach across Uganda, in Kampala, Jinja and Buwenge. Our past students are doing fantastic work and I cannot wait to go and spend time with them.

Our brother in Cape Town, Gerhard Laniewski is doing an incredible work for us on the website. Last week he sent me a report which was so encouraging. Over this past 12 months we have had hits from **54 countries** across the world. Well done, Gerhard, keep up the wonderful work.
