

NEWS FROM MY DESK

SEPTEMBER/OCTOBER 2024

My dear friends,

What a beautiful time of the year September is. After the cold, dry months of Winter, Spring has arrived and we wake up to the magnificent sound of the birds singing.

Let me bring you up to date on my work, which I hope will be an encouragement to you, to see how your prayers are being answered and where your money is being used.

KWAZULU-NATAL MISSIONARY & BIBLE COLLEGE

By the grace of God, we have enjoyed a wonderful term together. Our new students from Zambia and Kenya brought added dimension and all in all, a great team. After 10 years we have also re-printed all our application forms and literature for the 7 different study options we offer ... the ladies in the office are humming!

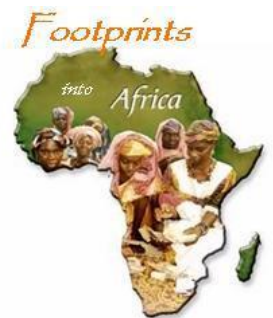

Enjoy the photos of some of our students on deputation in our city.

FOOTPRINTS INTO AFRICA

My trips this year to **Malawi**, **Mozambique**, **Rwanda** and **Uganda** have really gone well, and next week I head up to **Zambia** for the last trip. There will be lots of travelling as I visit Kitwe, Ndola and Kasama. Please pray that my visits will bring new students to us for 2025.

The other highlight was our **MMM** (Missions Motivation Morning), where we focused on **GOD THE SON**, the world's greatest missionary. It was a great morning!
