

✍ NEWS FROM MY DESK

JANUARY 2025

My dear friends,

After the school holidays it is wonderful to be back at my desk, getting ready to train up pastors and missionaries for Africa and beyond. At the end of 2024 we had the most amazing graduation where 20 of our students graduated and now will be serving the Lord across Africa. Isn't it fantastic to see how the vision for KMBC is being fulfilled with over 400 students trained and equipped.

Enjoy these photos ... Highlight of the student's year. Gregg Cole-Edwardes was our guest speaker.

KWAZULU-NATAL MISSIONARY & BIBLE COLLEGE

Having been "emptied out" last year, we are again rebuilding our student base and at the moment for the 1st Term we have the following students:

- ▽ **DIPLOMA IN MISSIONS - 1**
- ▽ **DIPLOMA IN MINISTRY - 5**
- ▽ **DIPLOMA IN THEOLOGY - 2**
- ▽ **A.C.I.M. - 1**
- ▽ **ONLINE A.C.I.M. - 7**
- ▽ **A.R.C.I.T. - 4**
- ▽ **DISTANCE LEARNING - 4**

Please pray that these 24 precious students will be greatly used by the Lord in Gospel Ministry.

FRED PIETERSE MEN'S RESIDENCE:

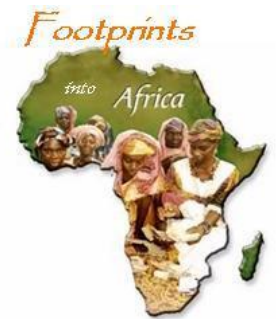

As I mentioned last year, the DOROTHY BUTT TRUST have come in and completely renovated the house. We can never thank them enough for this very generous donation. Glory be to the Lord ... BUT the students will now never want to go home!!! Folks have been so kind with donations of curtains, cutlery, and a pool table for recreation.

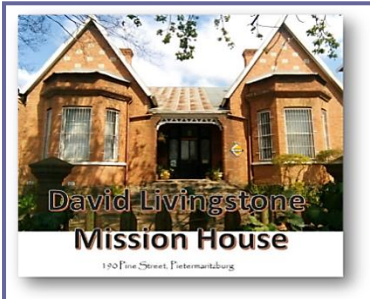

FOOTPRINTS INTO AFRICA

The Lord continues to open doors for me to teach across Africa, so this year I have been invited to go to Malawi & Mozambique, Rwanda, Uganda, South Sudan and Kenya. Please pray for these to come about, and that will make 80 mission trips into Mama Africa. Unbelievable memories for me.

Friends, I now want to highlight our upcoming

Missionary Motivation Morning **MMM**

Save the date for our first meeting of 2025...

Cancel weddings ... sport ... whatever you need to, but keep this date open:

SATURDAY MORNING, 15 FEBRUARY 2025

This year we will be covering the **"MISSIONARY GENERALS"** starting with the great **JONATHAN EDWARDS**

Last year we reached our high with 50 "missions besotted people" coming. Spread the news and invite your friends, let's make MISSIONS our priority. I look forward to seeing many of you at our MMM.

My friends you have kept me for the past 39 years when I started KMBC. I am so very grateful to you all for your love, prayers and generous financial support.

The world asks – "What does a person own? Christ asks: How do they use it?"

Andrew Murray

Blessings

Warwick
