

✍ NEWS FROM MY DESK

FEBRUARY/MARCH 2025

My dear friends,

Greetings from a very wet Pietermaritzburg!! I have been so very challenged reading biographies and articles on William Carey in preparation for our next MMM meeting in May. His very close friend ANDREW FULLER, who looked after the home base while Carey went to India, wrote the following:

“our undertaking to India really appeared to me, on its commencement, to be somewhat like a few men deliberating about the importance of penetrating into a deep mine which had never before been explored. We had no one to guide us, and while we were thus deliberating, Carey as it were said ‘well, I will go down if you will hold the rope’. But before he went down, he, as it seemed to me, took an oath from each of us at the mouth of the pit, to the effect that as long as we lived, we would never let go of the rope. You understand me! This was a great responsibility attached to each of us who began this business.

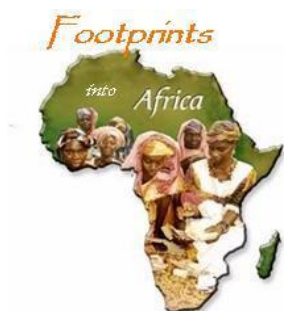

You, my dear friends, hold the rope while I go down into Africa and I so appreciate you all. Now let me bring you up to date.

KWAZULU-NATAL MISSIONARY & BIBLE COLLEGE

We are enjoying a happy and blessed term studying the Word together. There are an extra 7 new students wanting to come next term for the missions course which is exciting while the men are loving their “palace”, the Fred Pieterse House so wonderfully renovated by the Dorothy Butt Trust.

MISSION TRIPS

I will soon be visiting **Malawi and Mozambique** for what will be my 77th mission trip into Africa. We are busy building a new Church in Tengani so it will be exciting to see the progress and then speak at a leaders' conference for 2 days.

In June I will be in Uganda preaching in Tororo, Buwenge and Kampala which is thrilling.

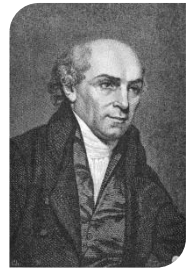

Missionary Motivation Morning

These are developing into something magnificent. We had another great turnout in January and listened to Jonathan Edwards. Book now for the next one, it promises to be another wonderful morning.

BIBLE STUDIES

Our Thursday evening Bible Study welcomed 3 new friends this year, so we are up to 25 now, making it necessary to move into a bigger hall. 1 Corinthians is proving to be a real hit and we are all loving learning together with loads of discussion taking place.

PREACHING

Churches still very kindly invite me to preach, so almost all of my Sundays are taken up. Last month I had the privilege of speaking at Christ Church North Coast, Christ Church Pietermaritzburg, Holy Trinity Imbali, and the Hayfields Bible Chapel.

It has been a very busy start to the year, but YOU my dear friends make it all possible with your prayers, generous giving and abounding love. You are 'HOLDING THE ROPE'~ I so appreciate you all, so until we meet again – don't say:

TAKE CARE ... say TAKE RISKS

Blessings,

Warwick I leave you to ponder this thought from Paul Harvey:

"We've strayed from being fishers of men to being keepers of the aquarium"
