

✍ NEWS FROM MY DESK

APRIL / MAY 2025

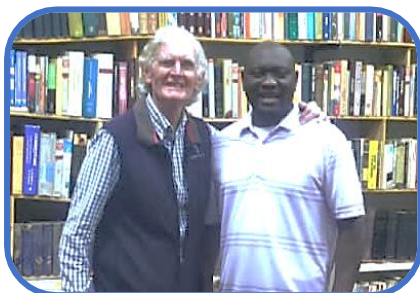

My dear friends,

The second term has begun and what a privilege I have been given to teach 5 lectures a day, 27 talks a week, in order to train up pastors and missionaries for Africa. My trip last month to Malawi was wonderful and to see the amazing work our past students are doing is humbling, truly it inspires me to keep going in this the 39th year of the College. Let me bring you up to date on my work.

KWAZULU-NATAL MISSIONARY & BIBLE COLLEGE

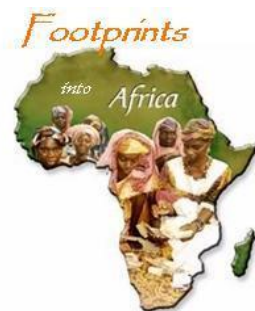

With 85% of all pastors still untrained across Africa the task is huge and at KMBC we could not be doing a more important work for the Kingdom. The Lord has sent 3 additional mission students to us for the next 2 terms which is wonderful.

Also one of our past students, who some of you will remember, Humphrey Mumba came to spend time with us, just to be refreshed and encouraged. It was lovely to see him again.

MISSION TRIPS

At the moment I am busy preparing my talks for my next trip to **UGANDA** where I will be preaching in Tororo, Baale and Kampala. Our past student, Alex Mukwabi, always organises a very full programme for me, so I am looking forward to this trip very much.

PREACHING

It is such a privilege for me to preach across the province each Sunday and this past month I have been to our churches in Ballito, Morningside in Durban, St Olav's, Holy Trinity Imbali and the Hayfields Bible Chapel. I am so grateful for these opportunities.

BIBLE STUDY

We have a very loving group of friends who come from different churches and we gather each Thursday @ 5pm to study the Word together. We are currently going through 1 Corinthians. It is generating lots of discussion so if you don't attend a study, pop in and enjoy the fellowship.

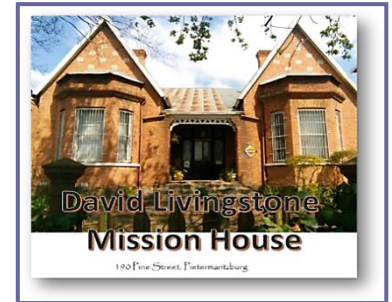

Missionary Motivation Morning

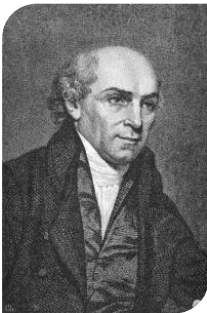

MMM

This 5-star meeting is my highlight every term, gathering with other missions minded friends to learn more about Missions and those who gave their lives to share the Gospel message.

Try and make our next meeting, here are all the details.

- **When:** SATURDAY, 10 MAY
- **Time:** 9:30 FOR COFFEE AND SOME EATS
- **Where:** DAVID LIVINGSTONE MISSION HOUSE – 190 PINE STREET, PIETERMARITZBURG (opposite the Evangelical Seminary)
- After coffee we will proceed to the Chapel at 10:00. The meeting finishes at 12:00 sharp

I will be covering the second -

"MISSIONARY GENERAL"

WILLIAM CAREY – (affectionately known as)
THE FATHER OF MODERN MISSIONS

Make sure you don't miss out on a great morning.

Brian and Janet have another beautiful song, we also have a lot of second-hand books available, and fellowship that is "*out of this world*".

I hope this newsletter encourages you my dear friends and "rope holders". You make this all possible through your love, prayers and faithful giving and I am so very grateful to you all.

SIYABONGA

I leave you again to ponder this thought from Paul Harvey: - This quote is so "on the button" - please never lose that passion for reaching the lost.

Blessings, Warwick
