

My dear friends.

I am back at my desk to begin the last term of studies at my college. This will draw to a close 39 years of training pastors and missionaries for Africa, and how gracious the Lord has been. With 400+ students now trained and equipped, they are preaching the Gospel across Africa from Ethiopia down to Cape Town, and even beyond into Pakistan, Indonesia, Paraguay and Cambodia. **Floyd McClung** was right when he said:

“There are 100’s and 1000’s of teachable dedicated, emerging leaders in the nations of AFRICA who are crying out for TRAINING and MENTORING”

KWAZULU-NATAL MISSIONARY & BIBLE COLLEGE

In the early hours of Saturday morning, I sat at the bus stop waiting for Meshack to arrive from Kenya. He had caught a bus from Nairobi to Dar es Salaam in Tanzania, another bus from Dar es Salaam to Lusaka in Zambia, a third bus from Lusaka to Johannesburg and then a 4th bus to Pietermaritzburg - 7 days on a bus ... why? Because he wants to learn the Bible and be equipped to be a pastor! Then on Saturday afternoon I fetched Neema, a lovely Christian lady from Tanzania; and on Wednesday I fetched Catherine and Lumba, who had travelled from Zambia. Now you can understand why I love these students, and in return seek to provide at KMBC the greatest time of their lives” - as they say” “our Bishop will look after us”. We are now very blessed with 26 precious students - our classrooms are filled again ... halelluya.

FOOTPRINTS INTO AFRICA

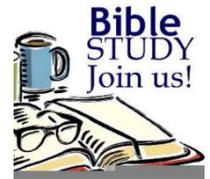

My missionary organization continues to follow John Piper, who said we must be **content dispatchers** and **trained workers**. Providing Bibles, hundreds of Resources, and 2nd-hand Books all for free, is a great joy and privilege for me.

I am also busy doing the spade work for my next trips up to **Malawi**, then on to **Rwanda**, and if things quieten down, to **Mozambique**, where I will be visiting my past students and speaking at Pastor's Conferences.

BIBLE STUDY AND PREACHING

My Bible study on a Thursday continues to be such a wonderful time of fellowship as we continue with our study in the major doctrines of our faith. When I preached recently at the Hayfields Bible Chapel, we concluded our 20-week series on 1 John. How very privileged I am to be able to give 27 Bible talks a week.

BOOKS

Last week I collected 21 boxes of books which my dear friends in Pinetown, Red and Lynn Knoesen had collected. Also Rev. Hennie Storm gave me 2 more boxes, so THE SHACK is over flowing which is wonderful to see. Come and visit the Shack and take some good books home.

RETIREMENT

Last term both Brian and Charmaine Swart came to see me to say they wanted to retire after many years of service to KMBC.

It is time to spend more time together and do things they have not been able to do. We certainly cannot thank them enough. Brian has kept a tight control over our finances, while Charmaine has seen to all the administrative duties so efficiently.

But just as the Lord provided Joshua to take over from Moses, so the Lord again has wonderfully looked after KMBC. Our new accountant, **TAYLA PRIDMORE** amazingly asked if she could take over the finances, an incredible answer to prayer. We warmly welcome Tayla to our team.

SHARON PAINE has taken on the duties of Admissions Secretary, in addition to being our brilliant Librarian, while all our other amazing team members continue.

So, pray for us, and for Brian and Charmaine, that they will enjoy a very blessed retirement. Charmaine will however, continue as the Footprints into Africa general secretary doing my Newsletters, Journals and the MMM programmes.

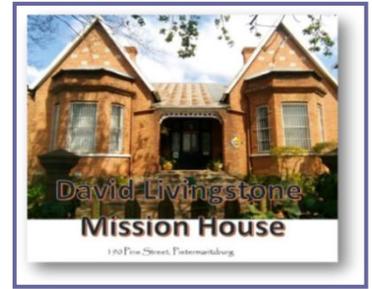

Now the details of the 2025 MMM finale ... RSVP 073 2340367 to reserve your spot.
