

## NEWS FROM MY DESK

November /December 2025

My dear friends and faithful supporters,

Here we are, about to go into our final exam week for 2025, then on to the graduation to wrap up 2025. It has been an incredibly busy year but I could not have ended on a better note, the Lord has been so good to my work. But you all know how much I love reading JOHN PIPER. This is what he wrote on 'MINISTRY IS MORE IMPORTANT THAN LIFE. What a reminder:

"O, how many examples could be multiplied from the glorious history of God's faithful saints! Willima Carey sailed to India from England in 1795, He lost his five-year-old son, his wife became mentally ill, he laboured seven years for his first convert, and he lost years' worth of precious translation work in a fire. But still he pressed on-for forty years without a furlough, because ministry is more important than life. Adoniram Judson, "America's first foreign missionary", went to Burma in 1814. He lost a six-month-old baby boy, spent a year and a half in a "death prison", lost his wife from fever, suffered a mental breakdown, and waited five years for his first convert. But he kept on, because ministry is more important than life. Robert Morrison, the first Protestant missionary to go to China (in 1807), lost his young wife and worked seven years for his first convert. But he kept on, because ministry is more important than life."

Allow me to share on how good the Lord has been over 2025.

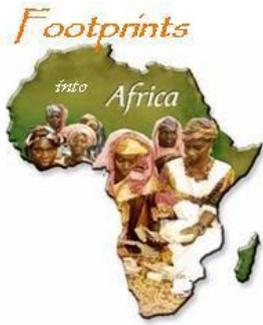

### KWAZULU-NATAL MISSIONARY & BIBLE COLLEGE.

This final term saw the Lord sending us 9 mission students coming for our Diploma in Missions. When they joined all our other students, the vibe was wonderful and the classrooms were full. It has been a lovely final term. For our graduation, there will be another 14 graduating students which means that over these past 39 years over 414 fully trained and equipped pastors and missionaries have now been sent right across Africa and even beyond; to Pakistan, Indonesia, U.K., Paraguay and Cambodia.

Then I was given our 2025 financials by Tayla, our bookkeeper, showing we had managed to cover all our expenses ... hallelujah.

Also please pray for the 8 who are applying for 2026, that they will arrive.

What a glorious year Footprints has also enjoyed, thank you Jesus, and to you alone be all the glory!

### TRIPS INTO AFRICA

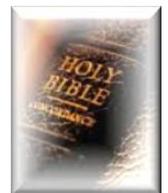

To travel across Africa today is a huge privilege, to visit my precious past students and speak at Pastor's Conferences is a joy above all joys. Next year, God willing, I will be visiting **Malawi, Mozambique, Rwanda and Zambia**, so by then I would have completed over **80 trips into Mama Africa** ... wow ... it's been out of this world. Then volume 3 of my work will be printed.

### WHERE TO NEXT

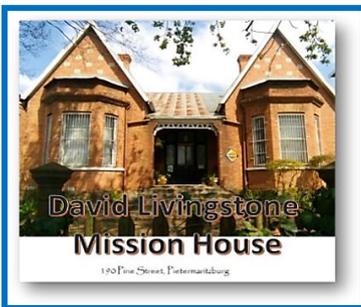

### PREACHING

Amazingly doors opened for me to preach across the province. I have had the joy of preaching at Christ Church Pinetown, St. Olavs' in Durban, Holy Trinity Imbali, Christ Church Pietermaritzburg and will be preaching every Sunday until February, which is wonderful.

### BIBLE STUDY

With 2 new friends joining us our members are up to 29. What a wonderful year we have had studying God's Word, and I now look forward to the end of the year supper.

### MISSIONARY MOTIVATION MORNING

My highlight of the term. This month we learned about John Paton and were deeply challenged by the example of his life. It was also amazing to see how these meetings continue to grow as we almost hit the 60 mark.

Next year we will meet and learn from the following great missionaries:

February, 28 The life of **Alexander McKay**

May, 16 The life of **Robert Moffat**

August, 22 The life of **Henry Martyn**

November, 14 The life of **Mary Slessor**

Again , by the grace of God alone, we ended the year by covering all our expenses. The Lord has been pleased to put His blessing on the work. To Him be all the glory and honour.

Next year, the College, which people call "my little baby" turns 40. Please try and make our special supper in June.

It just remains for me to say how VERY grateful I am to you all.

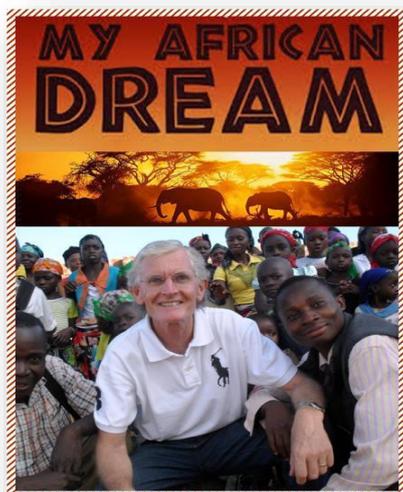

In spite of my sinfulness, your love, prayers and generous financial giving have kept both KMBC and Footprints into Africa going. Please know I am so very grateful to you.

Now may you all enjoy a Christ-centred Christmas, and a blessed 2026.

Yours gratefully

Warwick
